Graduate Daisy Diaz

Dear Partners in ministry to the people of Juarez, Mexico.

Two thousand years ago our Lord Jesus Christ said that he would build his church, and that the gates of hell would not prevail against it! Sylvia and I want to share with you on how Jesus is building his church in Juarez, Mexico.

Bible Institute - We praise God for allowing Daisy Yesenia Diaz to graduate from our Bible Institute this past November! Daisy is an excellent student and has a heart for teaching and winning souls! Our trimester of classes ended at the end of November with twenty-two students preparing for the ministry!

Sunday Service

Church Services – the Lord has blessed us during the past three months with an average attendance of sixty-five people, with some services packed out with as many as 75 to 80 people. Captains Francisco Andrade and Salvador Santoyo and their workers are running two van routes to different neighborhoods in the city, winning souls, visiting, and picking up riders on Sundays and Wednesdays. Special thanks to Pastor Scott Wendal and members of Valley Forge Baptist Temple for donating money towards the purchase of our new Ford E-350 van!

Cristofer and parents

Baptisms and discipleship Praise the Lord, we have seen nine precious new converts baptized over the past three months (see pictures). Teen Cristofer Morales conversion to Christ was so amazing that their parents who were considering moving away from Juarez because of a lack of decent housing, decided to stay because of the incredible change they saw in their son (see photo). They later attended services and received Christ! Rogelio Sanchez's conversion from alcohol to Christ inspired his sister Julio Ochoa to receive Christ and be baptized (see pictures). Currently, Sylvia and I are discipling five families and three individuals with a 17-lesson discipleship course for new believers so that this fruit might remain!

Family News Our daughter Becky has finished her studies at West Coast Baptist College and is planning to marry fellow student Andrew Montoya next October 13th. Our son Daniel is studying to be an evangelist at Providence Baptist College in Elgin, Illinois. He is a junior and worked as a child evangelist last summer for NBT.

Please pray! 1. More souls to be saved, baptized, and discipled, 2. Church property, 3. Preparation of future pastors and missionaries in our Bible Institute, 4. Our safety.

Thank you! Jim, Sylvia, Becky, and Danny Campana
