Church's 3rd Anniversary

Kids praying at VBS

Teen Camp

Kids Class

### Dear Partners in ministry to the people of Juarez, Mexico.

Sylvia and I praise the Lord for the honor and privilege of planting Liberty Baptist church three years ago with the help of Missionary Pete Raymond, who is now with the Lord, and Julio and Irma Granillo. During the three-day celebration in June five adults received Christ as Savior, three precious girls were saved in our daughter Becky's class, two young ladies surrendered to full-time Christian service, and four young men consecrated their lives to our Savior! High attendance was eighty during the Sunday evening service. To God be the glory for the wonderful things He has done! Thanks to all of you who pray and support this ministry!

The Lord has added to our church in Juarez many precious souls! Among them is Misael Clemente who received Christ as Savior back in July, and shortly thereafter he was baptized. Presently, I am discipling him and his family weekly. His life has radically changed! He is planning to marry the Christian woman with whom he has been living with in free union and is attending Bible Institute classes on Tuesdays. He also has volunteered to be a driver on one of our van routes, and he is learning how to win souls to Christ. The gospel continues to be the power of God unto salvation! Many others have been saved and baptized, some of which you can see in the pictures. Among them, I am discipling two other families who recently received Christ and are very hungry for the Word! Sylvia is discipling three women on Wednesdays before church services.

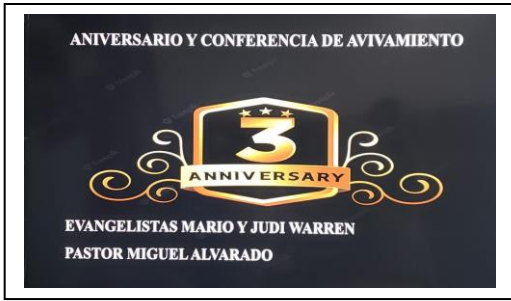

Back in July twenty of our teens attended a Christian camp near the mountains of Coahuila, Mexico. One of our teens, Giovanni Pedro received Christ during camp, and is on fire for God ever since. Five others made decisions to serve the Lord in full-time Christian service.

During the month of August, we held our VBS program. Our son Daniel Campana and his best friend Jonathan Buskoger, who spent the summer working with Neighborhood Bible Time, led the program with exciting songs, Bible stories, magic tricks, games, and lots of fun. During the invitation time, kids were dealt with one on one, with many making genuine decisions to be saved! Notable was seven-year-old Jaqueline, who has a serious heart condition, and got saved and came back for Sunday services.

Lastly, our Bible Institute classes got underway during the month of September. Praise God, at the present we have ten men and fifteen women taking classes. Sylvia is teaching a book by Nancy Demoss, Pastor Carlos is teaching the doctrine of the Holy Spirit, his wife Lucero is teaching Music theory, and I am teaching how to start a New Testament Baptist church.

*Thank you! Jim, Sylvia, Becky, and Danny Campana*
